Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Sunday 31 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Heavy rain this morning, brighter and showery later.

Today:
A band of occasionally heavy and squally rain moving eastwards this morning, with strong winds and coastal gales likely. This clearing to sunnier conditions through the afternoon with a few sharp blustery showers possible. Remaining windy. Maximum temperature 14 deg C (57 deg F).

Tonight:
Sharp blustery showers continuing in coastal areas and across Kent. Staying windy overnight. Drier in the northwest of the region with some clear spells. Minimum temperature 6 deg C (43 deg F).

Monday:
Monday bright and breezy with some coastal showers continuing. Sunny spells inland. Starting to feel slightly cooler. Maximum temperature 13 deg C (55 deg F).

Outlook for Tuesday to Thursday:
Mostly dry through the next few days, but with showers possible on coasts at times. Light winds for Tuesday, but becoming a little breezier during Wednesday. Feeling colder.
